

ELMO TEST DRIVE

Wednesday, December 2 • 3:30 - 5pm

Robert W. Woodruff Library, Room 314, Emory University

Participants will try out **ELMO** and test its capabilities using a sample mission. This event will help faculty and graduate students better understand ELMO's features and how the tool can be used for data collection and analysis in their own field research.

For more information on ELMO, visit getelmo.org.
